

AMA Insurance Agency and EXL announce strategic relationship for cloud-based LifePRO® platform deployment

October 8, 2020

NEW YORK, Oct. 08, 2020 (GLOBE NEWSWIRE) -- EXL [NASDAQ: EXLS], a leading operations management and analytics company, today announced that AMA Insurance has selected EXL LifePRO® to provide leading edge new business and policy administration platform services. The cloud-based deployment will be hosted by EXL along with ongoing application management support.

Pamela Moy, President of AMA Insurance, said, "Physicians count on AMA Insurance throughout their careers – from medical school to retirement. As we look to our future needs, we see EXL LifePRO® as key to providing the technology foundation to support our success. Our relationship with EXL will provide the flexibility to enable our vision."

"EXL is excited to work with AMAI to provide a solution to quickly deliver innovative products and enable a digital customer experience for physicians and all certificate holders," said Keith Johnson, SVP of EXL. AMAI will use LifePRO® for new business, administration, health insurance claims, billing, and analytics.

EXL's LifePRO® digital insurance solution provides a full, 360-degree view of a client's relationship across a broad range of life, health, and annuity products. With a flexible web-based user interface and a complete library of digital services across policy servicing, party maintenance, agent and hierarchy management, and product configuration, the platform provides clients speed, security and scalability.
