

EXL to Host Investor and Analyst Day November 16, 2022

October 17, 2022

NEW YORK, Oct. 17, 2022 (GLOBE NEWSWIRE) -- EXL [NASDAQ: EXLS], a leading data analytics and digital operations and solutions company, today announced that it will be holding an Investor and Analyst Day on Wednesday, November 16, 2022.

This event will be hosted by Rohit Kapoor, Vice Chairman and CEO, along with members of the EXL executive leadership team.

The focus of the event will be on the evolution of EXL's data-led enterprise strategy, including detailed examples of how the company is harnessing structured and unstructured data to help its clients create a sustainable business advantage. EXL leadership will also discuss how this data-led strategy aligns with the company's strategic vision for growth and its financial goals to drive stockholder return.

The in-person event will begin at 9:30 am EST and the presentations will begin at 10:00 am EST on the 35th Floor of 320 Park Avenue in New York City.

To register for the event in-person and for the webcast, please click [here](#).

A webcast replay will be available after the event has concluded.
