## **ExlService Holdings, Inc. to Host Second Annual Investor Day on November 4, 2010 in Conjunction With Third Quarter 2010 Earnings Conference Call**

NEW YORK, Sep 14, 2010 (GlobeNewswire via COMTEX News Network) -- ExlService Holdings, Inc. ("EXL") (Nasdaq:EXLS), a leading provider of outsourcing and transformation services, will announce financial results for its third quarter ended September 30, 2010 on November 3, 2010 after the market close.

EXL management will conduct a conference call at 8:00 a.m. (ET) on November 4, 2010 to discuss the company's financial and operating performance. Following the conference call, EXL will host its Second Annual Investor Day at 10.00 a.m. (ET) in New York City at the NASDAQ MarketSite in Times Square.

The conference call and event will be available live via the internet by accessing the investor relations section of EXL's website at [www.exlservice.com](http://www.exlservice.com), where the accompanying presentation can also be accessed. Please go to the website at least fifteen minutes prior to the call to register, download and install any necessary audio software.

To listen to the earnings conference call via phone, please dial 1-877-303-6384 or 1-224-357-2191. For those who cannot access the live broadcast, a replay will be available by dialing 1-800-642-1687 or 1-706-645-9291 and entering the conference identification number "10769069" from two hours after the end of the call until 11:59 p.m. (ET) on November 18, 2010. The replay will also be available on the EXL website [www.exlservice.com](http://www.exlservice.com).

To listen to the investor day events via phone, please dial 1-877-303-6384 or 1-224-357-2191. For those who cannot access the live broadcast, an archived webcast of the presentation and the accompanying slides will be available on the EXL website [www.exlservice.com](http://www.exlservice.com).

This press release contains forward-looking statements. You should not place undue reliance on those statements because they are subject to numerous uncertainties and factors relating to the Company's operations and business environment, all of which are difficult to predict and many of which are beyond the Company's control. Forward-looking statements include information concerning the Company's possible or assumed future results of operations, including descriptions of its business strategy. These statements may include words such as "may," "will," "should," "believe," "expect," "anticipate," "intend," "plan," "estimate" or similar expressions. These statements are based on assumptions that we have made in light of management's experience in the industry as well as its perceptions of historical trends, current conditions, expected future developments and other factors it believes are appropriate under the circumstances. You should understand that these statements are not guarantees of performance or results. They involve known and unknown risks, uncertainties and assumptions. Although the Company believes that these forward-looking statements are based on reasonable assumptions, you should be aware that many factors could affect the Company's actual financial results or results of operations and could cause actual results to differ materially from those in the forward-looking statements. These factors are discussed in more detail in the Company's filings with the Securities and Exchange Commission, including the Company's Annual Report on Form 10-K for the year ended December 31, 2009. These risks could cause actual results to differ materially from those implied by forward-looking statements in this release. You should keep in mind that any forward-looking statement made herein, or elsewhere, speaks only as of the date on which it is made. New risks and uncertainties come up from time to time, and it is impossible to predict these events or how they may affect the Company. The Company has no obligation to update any forward-looking statements after the date hereof, except as required by federal securities laws.
