This press release contains forward-looking statements. You should not place undue reliance on those statements because they are subject to numerous uncertainties and factors relating to the Company's operations and business environment, all of which are difficult to predict and many of which are beyond the Company's control. Forward-looking statements include information concerning the Company's possible or assumed future results of operations, including descriptions of its business strategy. These statements often include words such as "may," "will," "should," "believe," "expect," "anticipate," "intend," "plan," "estimate" or similar expressions. These statements are based on assumptions that we have made in light of management's experience in the industry as well as its perceptions of historical trends, current conditions, expected future developments and other factors it believes are appropriate under the circumstances. You should understand that these statements are not guarantees of performance or results. They involve known and unknown risks, uncertainties and assumptions. Although the Company believes that these forward-looking statements are based on reasonable assumptions, you should be aware that many factors could affect the Company's actual financial results or results of operations and could cause actual results to differ materially from those in the forward-looking statements. These factors are discussed in more details in the Company's filings with the Securities and Exchange Commission. These risks could cause actual results to differ materially from those implied by forward-looking statements in this release.

You should keep in mind that any forward-looking statement made herein, or elsewhere, speaks only as of the date on which it is made. New risks and uncertainties come up from time to time, and it is impossible to predict these events or how they may affect the Company. The Company has no obligation to update any forward-looking statements after the date hereof, except as required by federal securities laws.
